*Due to the COVID-19 pandemic causing the postponement of the Tokyo 2020 Paralympic Games, we understand that athletes may have had life
altering plans in place following the Games in August of 2020. As we continue to plan, our mission of obtaining Gold has not changed and in order to do that we must have ample training time together once it is safe to do so; however, we recognize that the need for flexibility in the 2021 season must be considered. At the time of this amendment, we currently have three (3) opportunities prior to January 2021 and seven (7) post January 2021 and if an athlete knows of an already scheduled life event (i.e. school, work, wedding) that was planned prior to COVID-19, they may miss up to five (5) days of training camp prior to January 1, 2021 and five (5) days of a training camp post January 1, 2021. - 2017 Americas Championship Team and alternates
- 2018 World Championship Team and alternates

If an athlete does not receive an automatic invitation, they may be eligible for an invitation to the 2020 Selection Camp through the following:

- A special invitation from the Selection Committee (see Section 2.3)
- Athletes may file a petition for an invitation and it must be accepted through the petition procedures found at www.usawr.org and www.lakeshore.org

In order to ensure athletes are maintaining a level of fitness and readiness capable of producing a medal winning performance, Lakeshore Foundation/USAWR coaching staff and personnel may elect to observe/evaluate those athletes nominated from the Selection Camp as they train and compete in various domestic and international competitions. In addition, Lakeshore Foundation/USAWR may request video footage and/or statistical information as part of the ongoing evaluation of athletes prior to final team nomination.
1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process (include maximum Team size).

    - The Selection Committee will develop a roster of players that will enable the USA to field a legal variety of lineups in order to maximize the Team competitiveness.
  - In addition to the criteria in Attachment A, the Selection Committee will consider discretionary criteria listed in Section 2.2 when evaluating athletes.
  - At the conclusion of the Selection Camp, the Selection Committee will select up to 16 (sixteen) athletes who will train as a group, hereby known as the Training Squad, prior to nominating the 2020 Paralympic Games Team.
  - Candidates invited to participate in the Selection Camp who cannot attend or fully participate in the camp due an extenuating circumstance per the criteria listed in Section

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

The sport of wheelchair rugby is not a measured or timed event. In the selection of athletes who will compete together as a Team, it is impossible to make selection decisions based solely upon objective criteria. It is the belief of Lakeshore Foundation that the selection criteria set out above, which includes subjective components in the evaluation of performance and ability, will result in the selection of the very best athletes to comprise the most competitive Team.

2.2. List the discretionary criteria and explain how they will be used (if any):

Wheelchair Rugby is a team sport requiring effective combinations and individual skills. Thus, the following discretionary criteria are considered in the selection of players.

2.2.1 The following criteria will be used to select the 2020 Paralympic Games Training Squad and Team:

- Athlete’s projected ability to advance to the 2020 Paralympic Games Team and ability to contribute to the Team’s success in 2021 and beyond will be taken into consideration for selection to the 2020 Paralympic Games Team. An athlete’s future Paralympic Team potential will be judged based on the coaching staff’s assessment using the criteria contained in these procedures.

Psychological/Social

To act in a sportsmanlike manner consistent with the spirit of fair play and responsible conduct. Respecting the property of others whether personal or public. Past team history, accountability and/or code of conduct issues and standing with the Lakeshore Foundation and the USOPC will also be taken into consideration.
• Leadership: Leading by example with a positive influence on all those around him/her.

Head Coach, USA National Team
Assistant Coach, USA National Team
Coach, USA Development - while this individual will take part in all committee meetings, they just have a “voice” in the process and will not have a “vote” in the review process
Athlete Representative
USQRA Representative – while this individual will take part in all committee meetings, they just have a “voice” in the process and will not have a “vote” in the review process

2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per the Lakeshore Foundation/USA Wheelchair Rugby (USAWR) Complaint Procedures (Attachment D) and the USOPC’s Bylaws, Section 9.

USA Wheelchair Rugby Skill Assessment

A variety of skills will be assessed for all the athletes attending tryouts; passing, sprint speed, agility, endurance, and quickness. The athletes will be given three trials each for each skill (except the Lakeshore Mile) and these skills will be scored, and then averaged to give some objective data to assess the athletes. Subjective skills that will be assessed are the following: communication, playing their respective role properly, positioning, transitioning, attitude, contribution to team chemistry, coach ability, leadership, endurance, and other intangibles (desire, heart, determination, etc.).

Lakeshore Mile:

Directions: The athletes will complete 8 laps around the Lakeshore Foundation track as fast as possible. Athletes will be timed. The coach will start the watch on the whistle. Split times will be recorded upon completion of each lap. Athletes will do a mile clockwise and counter clockwise. One mile will be completed prior to the tests listed below and the other mile will be completed at the end of the tests listed below.

Passing Skill Test:

Dimensions: Rectangle 24" wide X 18" high, Center Square 6" X 6", Outside Diamond to intersect with rectangle.

Directions: Athletes will throw the ball at a target from three different positions (left, straight, and right). Low pointers (.5-1.5) will throw or bump from 10 and 15 feet, High pointers (2.0-3.5) will throw or bump from 15 and 20 feet. The right and left passes will be six feet from center; athletes will be expected to throw or bump the ball with the hand on that respective side. Each athlete will get 5 passes from each of the spots and score according to the location on the target in which they hit. The center square will score 3
points; the rectangle will score 2 points, and in the diamond will score one point. When
the ball hits a line it will score for the inside score, missing the target or misfiring the ball
will score 0 points.

**Full Court Sprint:**

Directions: Athletes will sprint from a stationary position to the opposite baseline.
Athletes will start from a stationary position on the mark on the baseline. The coach will
ask the athlete when they are ready. The athlete after acknowledged by the coach can
begin their sprint. Upon initial movement, timing lights will begin recording athlete’s
time. When the front casters cross the opposite baseline the coach will stop the watch.
Three trials will be attempted for each athlete.

**Endurance Sprint:**

Directions: Athletes will sprint from a stationary position starting at the half-court line
around the rugby cones at the baseline all the way around the other end of the court and
finishing where the athlete started. Three trials will be attempted for each athlete going
clockwise and counter clockwise. This includes three times to the right and three times to
the left.

**Up and Backs**

Directions: Athletes will start from a stationary position from the baseline to 7 lines
measure 36” apart, and the first line will be 40”. The athlete will pass two wheels over
each line and then reverse direction back to the baseline each time. After completing the
final line at the baseline the time will stop.

Section 1. Jurisdiction.

These Complaint Procedures are applicable to those Paralympic sports in which the USOPC has not recognized a National Governing Body or a Paralympic Sport Organization to govern the sport. Only matters concerning those Paralympic sports fall within the jurisdiction of these Complaint Procedures.

Section 2. Designation of Complaints.

The following kinds of complaints may be filed with the Lakeshore Foundation and/or the USOPC:

a. Administrative Grievance. Any aggrieved individual may file a complaint pertaining to any matter relating to the cognizance of the Lakeshore Foundation and/or the USOPC, including but not limited to any alleged violation of or grievance concerning any Lakeshore Foundation rule, regulation or code of conduct.

b. Right to Compete. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individual’s opportunity to compete in a Lakeshore Foundation or USOPC sponsored competition.

Section 3. Manner of Filing.

The complainant shall file the complaint with the Lakeshore Foundation Chief Executive Officer. The complaint shall set forth in clear and concise language, preferably in numbered paragraphs: (i) the alleged violation, grievance, denial or threat to deny and (ii) the remedy requested. The complainant shall sign the complaint.

Section 4. Statute of Limitations.

A complaint filed under these Complaint Procedures shall be filed within one hundred and eighty (180) days of the occurrence of the alleged violation, grievance, denial or threat to deny.

Section 5. Field of Play Decisions.

The final decision of a referee during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the referee) shall not be reviewable through the procedures for, or the subject of, Administrative Grievances or Right to Compete Complaints unless the decision is: (i) outside the authority of the referee to make or (ii)
the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the term “referee” shall include any individual with discretion to make field of play decisions.

Section 6. Hearing Panel.

Upon the filing of a complaint, the Lakeshore Foundation Chief Executive Officer shall appoint a hearing panel consisting of three (3) individuals to hear the complaint. The Chief Executive Officer shall also appoint a chair of the hearing panel from among the three individuals appointed. At least one member of the hearing panel shall be an athlete. At least one member of the hearing panel shall be an athlete. Any member of the hearing panel that has a possible conflict of interest must disclose it. If such conflict exists, the hearing panel member must recuse him/herself from discussions and decisions and an additional panel member will be named.

In the event that a complaint is filed against the CEO, Lakeshore Foundation’s Board Chair shall appoint and convene a hearing panel that is free from a conflict of interest.

The Hearing Panel shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner.

Fair notice of charges, requested remedy and opportunity for a hearing will be provided to any athlete coach, staff member, administrator or official in writing prior to declaring an individual ineligible.

Section 7. Administration.

The General Counsel of the Lakeshore Foundation shall generally administer and oversee all administrative grievances and right to compete matters filed with the Lakeshore Foundation.

Section 8. Conduct of the Proceeding.

The hearing panel shall rule on all motions and other matters raised in the proceeding. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient to the parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.
Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

Section 9. Expedited Procedures.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the Lakeshore Foundation Chief Executive Officer is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 10. Complaints Involving Selection to Participate in a Competition.

Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Section 11. Decision.

A decision shall be determined by a majority of the hearing panel. The hearing panel’s decision shall be in writing, shall state the reasons for the decision and shall be distributed to the parties.

Section 12. Arbitration.

Any party may appeal a decision of the hearing panel to the American Arbitration Association. The arbitrator appointed by the American Arbitration Association shall have the authority to hear the matter anew or if requested by a party to render a decision on a more limited review. Either party may submit the decision of the hearing panel to the arbitrator for the arbitrator’s consideration. The arbitrator may give whatever weight or authority to the hearing panel’s decision as the arbitrator deems appropriate.
